EXPRESS MAIL SERVICE**

Where the USPS refuses to accept the deposit of mail for delivery by express mail.

In some cases, due to the recent emergency, certain post offices are refusing to accept the deposit of mail for delivery by Express Mail service. The USPTO is also designating this interruption in the Express Mail service of the USPS as a postal service interruption within the meaning of 35 U.S.C. 21(a) and 37 CFR 1.6(e). In addition, if a party attempts to deposit correspondence for delivery to the USPTO with the USPS by Express Mail under 37 CFR 1.10 ("Express Mail Post Office to Addressee") and the USPS refuses to accept such correspondence, the party is advised to take the following action: mail the correspondence to the USPTO by registered or first class mail with a statement by the person who originally attempted to deposit the correspondence with the USPS by Express Mail. The statement must indicate the date on which the person attempted to deposit the correspondence with the USPS and that the USPS refused to accept the correspondence. The statement must be signed in accordance with 37 CFR 10.18. The correspondence should be mailed as set out in 37 CFR 1.1(a) and include the special box designation: BOX FILING DATE.
